April, 2011

Dear Friends:

I find it hard to believe that I will begin my 19th year with Virginia United Methodist Homes, Inc. (VUMH) this month. Although much has changed during this time, the commitment to provide quality services to our residents in a loving, secure environment remains a hallmark of our organization.

For 63 years VUMH has carried out its mission of providing facilities, services and programs to enhance the quality of life for older persons. This statement is more than just words... it is the guiding principal behind all that we do.

The Samaritan Program helps take this mission one step further. This benevolent care program provides financial support to residents who cannot afford the full cost of their care. Each year we have residents who simply exhaust personal resources and have no means to cover their expenses.

This year alone, VUMH will provide nearly \$900,000 in financial support to our residents through the Samaritan Program.

I ask your help in assisting those who can no longer support themselves. You can provide a day's (\$108), a week's (\$758) or a month's (\$3,285) financial support for residents who need Samaritan assistance. All contributions are greatly appreciated and no gift is too small.

Thank you in advance for your generosity. Through the Samaritan Program, our residents can rest assured their financial needs will be met.

Sincerely,

Christopher Henderson
